
APPENDIX F
Elevated Section Rehabilitation History

LISTINGS - " F. G. GARDINER"

PROJECT - LOCATION

CONTRACT NO.

F.G. GARDINER EXPRESSWAY STRUCTURE REPAIR FROM YORK STREET TO JARVIS STREET

12SE-01S

F.G. Gardiner Expressway Structure Repair from York Street to Jarvis Street; concrete removals, concrete patching, removal and installation of seven (7) precast concrete box girders, new concrete distribution slab, curbs and parapets, supply and installation of Changeable Message Signs (5 Pole Mounted and 1 Bent Mounted including all system network infrastructure and sign poles/supports), waterproofing, paving and coating of concrete surfaces.

REHABILITATION OF SEVEN (7) BAYS OF THE F. G. GARDINER EXPRESSWAY

11FS-26S

Seven (7) Bays of the F. G. Gardiner Expressway from Bent 48 to 56 (east of Strachan Avenue) including concrete repairs to the deck soffit and parapet, refacing of seven (7) pier bents, repairs to aluminum railing, temporary concrete barriers, electrical work and cleaning and coating of existing structural steel.

REMOVAL AND REPLACEMENT OF CONCRETE LIGHT POLE BASES ON THE ELEVATED PORTION OF THE F.G. GARDINER EXPRESSWAY

11FS-25S

Removal and replacement of the concrete light pole bases integral with the parapets both eastbound and westbound. The eastbound curb lane from Jarvis to the Don River will be closed off with the use of temporary concrete barriers. In this same eastbound section the defective light pole bases will be replaced by using precast concrete stools anchored in the closed curb lane.

REHABILITATION OF FOUR (4) BAYS OF THE F.G. GARDINER EXPRESSWAY FROM BENT 56 TO 60 (EAST OF STRACHAN AVENUE)

10FS-39S

Rehabilitation of four (4) Bays of the F.G. Gardiner Expressway from Bent 56 to 60 (East of Strachan Avenue) including concrete repairs to the deck soffit and parapet, refacing of four (4) pier bents, repairs to aluminum railing, temporary concrete barriers, electrical work and cleaning and coating of existing structural steel.

GARDINER EXPRESSWAY FROM BENT 60 TO 84 WEST OF BATHURST STREET SUBSTRUCTURE REPAIRS

10FS-26S

Six (6) Bays of the F. G. Gardiner Expressway from Bent 60 to 84 (west of Bathurst Street) including concrete repairs to deck soffit and parapet, refacing of four (4) pier bents, repairs to aluminum railing, temporary concrete barriers, electrical work and cleaning and coating of existing structural steel.

LISTINGS - " F. G. GARDINER"

PROJECT - LOCATION

CONTRACT NO.

GARDINER EXPRESSWAY FROM HIGHWAY 427 TO GRAND AVENUE – MEDIAN GUIDERAIL REPLACEMENT

07FS-24S

Remove existing median guiderail, asphalt median and curb and gutter. Reconstruct median with new Tall Wall Barrier and Asphalt. Replace existing median lighting.

F. G. GARDINER EXPRESSWAY SUBSTRUCTURE REPAIRS BETWEEN BENTS 82 AND 119 AND SOFFIT REPAIRS

03FS-27S

Repairs of F. G. Gardiner Expressway substructure between Bents No. 82 and 119. These bents are located between Spadina Avenue and Fort York Boulevard. The project includes: concrete repairs, CTMS and electrical plant relocations, access platforms and temporary traffic barriers.

F. G. GARDINER EXPRESSWAY SUBSTRUCTURE REPAIRS RAMPS TO / FROM DON VALLEY PARKWAY - STRUCTURE REHABILITATION

03FS-26S

Repairs of F. G. Gardiner Expressway substructure. The project includes: concrete repairs, CTMS and electrical plant relocations, access platforms and temporary fencing.

F. G. GARDINER EXPRESSWAY SUBSTRUCTURE REPAIRS BENTS 130 TO 158 - STRUCTURE REHABILITATION

02FS-28S

Repairs of F. G. Gardiner Expressway substructure. The project includes: concrete repairs, CTMS and electrical plant relocations, access platforms and temporary traffic barriers.

F. G. GARDINER EXPRESSWAY- BENTS 337, 338, 339 AND LOCALIZED REPAIRS

T-65-98

Repairs of F. G. Gardiner Expressway – Bents 337, 338, 339 and miscellaneous localized repairs. The project includes: concrete removal, concrete repairs, CTMS plant relocation, traffic control and street light relocations.
