Re: PW 30.8 Confirmation of Levels of Service for Winter Maintenance of Bikeways, Windrow Opening, Sidewalks and Accessibility for Ontarians with Disabilities Act (AODA) Compliance

Dear Chair and Committee Members,

I am writing to request that the Committee consider the accompanying recommendations to have staff report on expanding criteria for windrow and sidewalk snow clearing.

Recommendations:

1. Committee request staff report on options to change the criteria to expand windrow and sidewalk snow clearing so that it is provided more equitably throughout the City of Toronto to support safe and accessible streets
2. Committee request staff report on costs stemming from recommendation 1

Sincerely,

Josh Matlow
