Subject: My comments for 2014.PW31.7 on May 14, 2014 Public Works and Infrastructure Committee

To the City Clerk:

Please add my comments to the agenda for the May 14, 2014 Public Works and Infrastructure Committee meeting on item 2014.PW31.7, Richmond - Adelaide Cycle Track Planning and Design Study - Pilot Project

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

As the Captain of the Ward 19 Cycle Toronto committee, representing over 300 residents of Ward 19, we support the Richmond-Adelaide project for the reasons summarized here:

<http://cycleto.ca/major-step-forward-support-pilot-project-protected-bike-lanes-richmond-adelaide>

Separated bicycle lanes on Richmond and Adelaide will increase the people-moving capacity of the streets, improve street safety for all road users, and improve the quality of life for people working, living, or playing downtown.

Please support the plan as proposed.

Best regards,

-Antony Hilliard
Captain, Ward 19 Cycle Toronto
