Subject: My comments for 2014.PW31.7 on May 14, 2014 Public Works and Infrastructure Committee

To the City Clerk:

Please add my comments to the agenda for the May 14, 2014 Public Works and Infrastructure Committee meeting on item 2014.PW31.7, Richmond - Adelaide Cycle Track Planning and Design Study - Pilot Project

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

Ladies and Gentlemen of PWIC:

Please pass 2014.PW31.7. The test of a pilot for protected bike lanes on Richmond and Adelaide this summer will be a great first start. It is very dangerous cycling in this city. Further with all the construction occurring along Richmond and Adelaide, a pilot cycle track will help all road users adapt to the increase in cycling that Toronto has experienced in the past decade.
