

CONDOLENCE MOTION

Moved by: Councillor Gloria Lindsay Luby

Seconded by: Councillor Vincent Crisanti

The Members of Toronto City Council are deeply saddened to learn of the passing of Douglas Tennyson Day on May 10, 2014.

Douglas Day was a kind and gentle man who leaves behind a large and loving family. He was a true gentleman, caring, not afraid to show his emotions, with a heart big enough to share with so many. He openly displayed his great sense of humour and fun mixed with compassion for others.

Doug's contributions to the City of Toronto include his working career spent building roads and other infrastructure systems both for the Province of Ontario and during his 37 years working at the City of Etobicoke. Doug started in 1950 when Etobicoke was a township and he played an important role in building the infrastructure for a growing community. Doug was a pleasure to work with and his leadership was invaluable.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Douglas Tennyson Day's family.
