

CONDOLENCE MOTION

Moved by: Councillor Joe Mihevc

Seconded by: Councillor Paula Fletcher

The Members of Toronto City Council are deeply saddened to learn of the passing of Lawrence (Larry) Murray Priestman on May 6, 2014.

Larry was President and long-time member of the International Brotherhood of Electrical Workers Local 353 and through his leadership, the union became very active in the community.

Larry was also an active resident within the Marchmount area of Ward 21 where he lived. He was a volunteer at the old Hillcrest Hospital where he spent much of his time visiting and reading to patients or driving them to appointments. In the last few years, Larry devoted his time to the Tollkeeper's Cottage where he assisted with repairs and maintenance.

Larry Priestman devoted his life to being an active member of his community and living his life for others.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Larry Priestman's family.
