Subject: Tues. May 13, 2014

Agenda Item SC32.21

Attention: Yvonne Davies

On behalf of Stand Up Bridletowne and, further to our participation in the Finch Warden Revitalization Study, we would like it to be know that our group supports the Community Hub project and any changes necessary to the zoning bylaws to enable this project to move forward.

The project having been identified as a needed component to the area during the Finch Warden Revitalization Study process.

If the need arises, the undersigned will be on hand to speak to this matter.
