**Re: Striking Committee Appointments**

Dear Chair and Committee Members,

As you know, I've applied for openings on the Toronto Transit Commission Board and the Planning and Growth Management Committee.

While I've applied for both positions, transit in Toronto is one of my key concerns and I would appreciate the opportunity to contribute to the TTC.

Also, when the current TTC Board was created I was nearly appointed and received 22 out of the required 23 votes.

If another Councillor is appointed to this position, I would value the opportunity to serve on the Planning and Growth Management Committee.

Thank you for your consideration.

Warm regards,

**Jaye Robinson**
