**SUMMARY**

This staff report is about a matter for which Toronto and East York Community Council has delegated authority from City Council to make a final decision.

Transportation Services is requesting approval to change the daytime alternate side parking regulations on Fulton Avenue, between Broadview Avenue and Jackman Avenue, to change over on a monthly basis, but maintain parking only on the north side of the street during the winter months.

**RECOMMENDATIONS**

Transportation Services recommends that Toronto and East York Community Council:

1. Rescind the existing no parking regulation on the south side of Fulton Avenue, between Broadview Avenue and Jackman Avenue, from 10:00 a.m. to 6:00 p.m., Monday to Friday, Jan., Mar., May, Jul., Sept., Nov.

2. Rescind the existing no parking regulation on the north side of Fulton Avenue, between Broadview Avenue and Jackman Avenue, from 10:00 a.m. to 6:00 p.m., Monday to Friday, Feb., Apr., Jun., Aug., Oct., Dec.

3. Prohibit parking on the south side of Fulton Avenue, between Broadview Avenue and Jackman Avenue, from 10:00 a.m. to 6:00 p.m., Monday to Friday, Jan., Feb., Mar., Apr., Jun., Aug., Oct., Dec.
4. Prohibit parking on the north side of Fulton Avenue, between Broadview Avenue and Jackman Avenue, from 10:00 a.m. to 6:00 p.m., Monday to Friday, May, Jul., Sept., Nov.

Financial Impact
Funds to undertake the necessary signage adjustments in the estimated amount of $1,000.00 are contained in the Transportation Services Division 2014 Interim Operating Budget.

ISSUE BACKGROUND
In June 2013, Toronto and East York Community Council approved changes to parking regulations on Fulton Avenue, between Broadview Avenue and Jackman Avenue, that resulted in alternate side parking during the daytime hours on a monthly basis. Upon implementation residents have expressed concerns with alternate side parking during the winter months.

At its meeting on November 19, 2013, Toronto and East York Community Council reopened Item TE25.82, entitled "Parking Amendments - Fulton Avenue, between Broadview Avenue and Arundel Avenue" for further consideration. As a result, Toronto and East York Community Council requested the Director, Transportation Services, Toronto and East York District, to report back to the meeting of January 15, 2014, to amend the alternate side parking regulations on Fulton Avenue, between Broadview Avenue and Jackman Avenue, resulting in parking being provided only on the north side during the winter months (December 1 to April 30).

COMMENTS
Fulton Avenue, between Broadview Avenue and Jackman Avenue, operates one-way westbound with a pavement width of 8.5 metres. Speed humps are present on this street with a posted speed limit of 30 km/h. On this section of Fulton Avenue parking alternates sides monthly during the daytime hours and there is two-sided parking in the evening and overnight hours and at all times on weekends. On-street permit parking is in effect from 12:01 a.m. to 7:00 a.m., daily. There is no TTC bus service on Fulton Avenue.
Residents on this section of Fulton Avenue wish to maintain parking only on the north side during the winter months. It is feasible to amend the alternate side monthly parking regulations and have parking on the north side of Fulton Avenue during the winter months. There will be no impact to traffic operations or available parking spaces.
