To: Toronto and East York Community Council

Re: Heritage Designation of 877 Queen St East (WoodGreen Church and Neighbourhood House)

Dear Members,

I have received a letter from Michael McClelland of ERA Architects requesting the City consider heritage designation of 877 Queen St. East based on its architectural value, historical value, and contextual value.

Recommendations:

- 1) Request Heritage Preservation Staff to assess the heritage value of WoodGreen United Church and Neighbourhood House at 877 Queen St. East and to report to Council regarding the appropriateness of Heritage Designation

Sincerely,

Councillor Paula Fletcher
Ward 30, Toronto-Danforth
