## Rekai Family Parkette

### Park Renaming request for Bloor-Parliament Parkette

A formal request has been submitted to the City of Toronto to rename the Bloor-Parliament Parkette located at 625 Bloor Street East, the “**Rekai Family Parkette**”. In 1950 the Rekai family emigrated from Hungary to Toronto and established the culturally sensitive Rekai Centre. The centre serves the health care needs of Toronto’s new immigrants. The renamed park will honour the Rekai family’s hard work, dedication, commitment to multiculturalism and health care.
