Chair and Members, Toronto and East York Community Council,

Re: Heritage Conservation District Nomination for the Junction

Community members within the Junction area have nominated The Junction for consideration as Heritage Conservation District in accordance with nomination procedures outlined in the Council approved document, Heritage Conservation Districts in Toronto - Procedures, Policies and Terms of Reference. The boundary of the nominated area can be seen in the attached map. A portion of the nominated area passes through Ward 14.

In order for city staff to consider whether the area will likely satisfy the Council adopted criteria for the determination of cultural heritage value for Heritage Conservation Districts, prior to study authorization and prioritization, I ask support for the following motions:

That Toronto and East York Community Council:

1. Nominate The Junction (east of Keele Street) for consideration as a Heritage Conservation District.
2. Request the Acting Manager, Heritage Preservation Services, City Planning to review the nomination and bring forward a study authorization report the area demonstrate sufficient cultural heritage value.
3. Request the Acting Manager, Heritage Preservation Services to consider the nominated area for prioritization, should it satisfy all of the Council approved prioritization criteria.

Sincerely,

Gord Perks, Councillor, Ward 14
