### **SUMMARY**

---

Transportation Services is requesting authority from City Council to amend the boundary of Permit Parking Area 8D.

Transportation Services has assessed the realignment of Permit Parking Area 8D to exclude the property located at 1029 and 1075 Queen Street East as requested by Toronto and East York Community Council on May 13, 2014. We are recommending approval of the realignment as it will not impact negatively on the Permit Parking Area.

### **RECOMMENDATIONS**

---

**Transportation Services recommends that:**

1. City Council authorize the amendment to Schedule B of the City of Toronto Municipal Code, Chapter 925, Permit Parking, to incorporate a revised map of permit parking area "8D", as attached in Appendix "A" of the report (May 26, 2014) from the Manager, Right of Way Management, Transportation Services, Toronto and East York District.

## **FINANCIAL IMPACT**

There is no financial impact associated with this report.

## **ISSUE BACKGROUND**

Toronto and East York Community Council at its meeting of May 13, 2014 in considering the final report for the zoning amendment – 1029 and 1075 Queen Street East, item TE32.10 requested Transportation Services to examine and report back to Toronto and East York Community Council on June 17, 2014 regarding the realignment of parking area 8D and the exclusion of the subject site 1029 and 1075 Queen Street East from the Permit Parking area.

## **COMMENTS**

Permit Parking area 8D is bounded by Dundas Street East, Coxwell Avenue, Lake Shore Boulevard East and Logan Avenue. Area 8D has 1,747 on-street parking spaces. To date, 1,463 permits have been issued. This area does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces. There is TTC service on Queen Street East. The Councillor and residents neighbouring 1029 and 1075 Queen Street East support this action as a means of ensuring that this new development does not negatively impact the Permit Parking supply to the existing neighbourhood.

Transportation Services has no objection to the exclusion of 1029 and 1075 Queen Street East from permit parking area "8D".
