

MARY FRAGEDAKIS

City Councillor, Ward 29

June 11, 2014

Toronto and East York Community Council
100 Queen Street West
Toronto, ON M5H 2N2

Dear Chair and Members:

RE: Danforth Corridor Linear Park

Due to issues raised in the community around connectivity in the Danforth corridor from Chester Station to Langford Parkette, I believe this would be an appropriate time to link a number of ongoing projects with respect to local parks, green space, parking lots, etc.

RECOMMENDATIONS:

Toronto and East York Community Council direct the General Manager, Parks, Forestry & Recreation to oversee a working group of staff from other appropriate City divisions and agencies including but not limited to the TTC, Toronto Parking Authority, and Transportation Services to do a review, including community consultation, of the feasibility of creating an integrated design for revitalizing the Logan Green Field and Langford Parkette and adjacent City property along the lines of a "linear" park, and report back on the outcome to the appropriate committee.

Thank you for your consideration.

Sincerely,

Mary Fragedakis
City Councillor
Ward 29, Toronto-Danforth
