**SUMMARY**

Transportation Services is requesting approval from City Council to amend the boundary of permit parking area 4I.

Transportation Services has assessed the realignment of permit parking area 4I to exclude the properties located at 1030 King Street West as requested by Toronto and East York Community Council on May 13, 2014. We are recommending approval of the realignment as it will not impact negatively on the Permit Parking Area.

**RECOMMENDATIONS**

Transportation Services recommends that:

1. City Council approve the amendment to Schedule B of the City of Toronto Municipal Code, Chapter 925, Permit Parking, to incorporate a revised map of permit parking area "4I", as attached in Appendix "A" of the report (July 21, 2014) from the Manager, Right of Way Management, Transportation Services, Toronto and East York District.

**FINANCIAL IMPACT**
There is no financial impact associated with this report.

ISSUE BACKGROUND
Toronto and East York Community Council at its meeting of May 13, 2014 in considering the final report for the zoning amendment – 1030 King Street East, item TE32.7 requested Transportation Services to examine and report back to Toronto and East York Community Council on August 12, 2014 regarding the realignment of parking area 4I and the exclusion of the subject site 1030 King Street East from the Permit Parking area.

COMMENTS
Permit Parking area 4I is bounded by Queen Street West, Bathurst Street, CN Railway, King Street West, the west end of Shank Street and the west side of Shaw Street. Area 4I has 838 on-street parking spaces. To date, 559 permits have been issued. This area does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces. There is TTC service on King Street West. The Councillor and residents neighbouring 1030 King Street West support this action as a means of ensuring that this new development does not negatively impact the Permit Parking supply to the existing neighbourhood.

Transportation Services has no objection to the exclusion of 1030 King Street West from permit parking area "4I".
