Toronto and East York Community Council
100 Queen St W
Toronto M5H 2N2

Dear Chair and Members,

NEW BUSINESS: Parking Amendment – Yonge Street.

I recently met with residents of 20 Glebe Road West along with Transportation Services Staff to discuss concerns about cars stopping on the west side of Yonge Street – north of Glebe Road West. There are some legitimate safety concerns about the impact these vehicles have on the sight line for cars attempting to make northbound left hand turns from Glebe Road West on to Yonge Street.

Transportation Services Staff agreed that implementing a "No Stopping Anytime" regulation on the west side of Yonge Street from Gleber Road West to a point 15 metres further north could help address these concerns.

RECOMMENDATIONS:

City Council approve the implementation of a "No Stopping Anytime" regulation on the west side of Yonge Street, from Glebe Road West to a point 15 metres further north.

Regards,

Josh Matlow
City Councillor
Ward 22 - St. Paul's
