Re. Request for the Municipal Significance designation for the 2014 edition of our community festival Dundas West Fest.

This letter is to request a formal designation for our upcoming community festival, scheduled to take place on **June 7, 2013 from 11am to 10pm**, as of municipal significance, for the following reasons:

- This is a unique collaboration between two Business Improvement Areas in Toronto (Dundas West BIA and Little Portugal BIA), which together represent over 300 local businesses of diverse sizes and types, with regards to the organization of a significant community engagement event;
- The area covered by this community event is 13 city blocks along Dundas Street West in Toronto, between Lansdowne Avenue in the west to Shaw Street in the east;
- It will be an occasion that brings together all local stakeholders, including (school & parents groups, faith groups, non-profit agencies, local business and residents associations, local arts groups, neighbourhood organizations, etc.), providing them all with an opportunity to participate, showcasing their work and themselves to their neighbours within the geographic area covered by our two BIAs and extending north and south from Dundas Street West.

We have attached a list of all of the establishments for which we will be requesting extensions to their existing AGCO liquor serving licenses, for your information. We request that City Council advise the Alcohol and Gaming Commission that it has no objection to their granting these extensions for that day.

For any information or clarification, please contact: Helder Ramos, Organizer, Dundas West Fest: duwestfest@gmail.com or 416-540-6750

Respectfully
