Joylister Inc. is a Toronto-based start-up that aims to connect people with local businesses through highly anticipated food festivals featuring the city's top eateries.

Joylister wishes to apply for a **Special Occasion Permit** to serve alcohol during "**INTERNATIONAL STREET FOOD FEST**" at **ARTSCAPE WYCHWOOD BARN**s located at 601 Christie St. in Toronto.

The festivities will start at 5:00pm until 10:00pm on both days. Joylister is expecting 1000 attendees per day, for a total of up to 2,000 attendees. The purpose of the event is to create an entertaining and safe environment in which our guests would be able to enjoy a variety of international dishes from Toronto eateries all in one place. We are expecting to hire live music and street performers for our guests' enjoyment as well.

Joylister would like to request our event; **INTERNATIONAL STREET FOOD FEST** which will be held on **Thursday & Friday July 17 & 18 2014**, be declared as an event of Municipal significance.
