**RE: Event of Municipal Significance – The Village Welcomes The World**

The Village Church Wellesley Business Improvement Area is in the process of planning for a special street closure called "The Village Welcomes The World" as part of WorldPride 2014 festivities.

The event will require street closure from Friday, June 20, 2014, at 6pm through Monday, June 23, 2014, at 2am. Extended food and beverage patio service will adhere to the following schedule:

Friday, June 20, 2014	6:00pm – 11:00pm*
Saturday, June 21, 2014	noon – 11:00pm*
Sunday, June 22, 2014	noon – 11:00pm*

*\*Last call for alcohol service on the extended patios will be 10:00pm.*

Programmed as a neighbourhood "block party," there will be a single stage located at the north-west corner of Church Street and Maitland Street, where all entertainers booked for this event will perform. Entertainment will include ethnic musical presentations, female impersonators and other artists. There will be no use of public nudity during any of these performances.

The street closure will extend from the north side of Wood Street at Church Street, to the south side of Wellesley Street at Church Street. In addition, approximately 100 feet of Maitland Street, both east and west of Church Street, and 100 feet of Alexander Street, both east and west of Church Street, will be included in the street closure perimeter.

On behalf of several Licensed Bars, Clubs and Restaurants within The Village BIA's boundaries, the BIA is submitting application to the Alcohol and Gaming Commission of Ontario.

**This AGCO request is with respect to a temporary extension of approximately 6 meters on to the public roadway on Church Street and similar temporary extension on Maitland and Alexander Streets.**
