Re: Municipal Significance designation for Liberty Village BIA’s “Give Me Liberty After Work Party”

We are requesting your assistance in declaring the Liberty Village BIA’s Give Me Liberty Afterwork Party of municipal significance for liquor licensing purposes.

Give Me Liberty After Work Party will be held on Thursday June 12, 2014, from 4:00pm to 10:00pm. This is the 10th anniversary of this LVBIA event. We will close one block of Fraser Avenue south of King Street, for this annual community event, that will include an SOP licensed beer garden.

This annual community street festival celebrates the successes of Liberty Village. The event details include:
- Closing a portion of Fraser Avenue between King Street & Liberty Street for setting up tables and chairs, a garden beer and food and merchant fair
- An emergency vehicle lane will be accommodated in our set-up
- Local merchants will give away food or price them at $5 to $10, and meeting Toronto Public Health requirements
- Non-alcoholic pop and water, wine, and beer will be sold
- This event will be promoted through the LVIBIA, an area poster promotion and with support from local media
- It is open to the entire community
- We arrange paid security at the Beer Garden, and will enclose the full event area with barricades

We will apply to the Alcohol and Gaming Commission for a Special Occasion Liquor Licensing permit.

Thank you for your assistance.

Regards,

Lynn Clay
