INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
QUEEN STREET WEST BUSINESS IMPROVEMENT AREA

Report on the Financial Statements

We have audited the accompanying financial statements of QUEEN STREET WEST BUSINESS IMPROVEMENT AREA, which comprise the statements of financial position as at December 31, 2013 and the statements of operations, changes in accumulated surplus and cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for local governments as prescribed by the Public Sector Accounting Board (PSAB), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Queen Street West Business Improvement Area as at December 31, 2013 and the results of its operations, changes in accumulated surplus and its cash flows for the year then ended in accordance with Canadian accounting standards for local governments as prescribed by the Public Sector Accounting Board (PSAB).

Notes to Financial Statements December 31, 2013

1. Nature of the Organization

Queen Street West Business Improvement Area is a not-for-profit volunteer-based association dedicated to create a safe and competitive business area that attract shoppers and new businesses under the management and control of a Board of Management appointed by Council of the City of Toronto.

The Board is entrusted with the improvements, beautification and maintenance of municipally owned lands, buildings and structures in the area, together with the promotion of the area as a business or shopping area. Funding is provided by property owners of the BIA who are levied a special charge based on an annual operating budget prepared by the Board and approved by Council under Section 220(17) of the Municipal Act.

2. Significant Accounting Policies

The Organization follows Canadian accounting standards for local governments as prescribed by the Public Sector Accounting Board (PSAB) which include the following policies:

Revenue recognition:

The Organization receives special charges from the City of Toronto, cash donations from corporate sponsors and private donors, as well as grants for operating purposes and capital projects. Revenue are being recorded upon signing of contract, and when collection can be reasonably ascertained.

Equipment:

Equipment are stated at cost and amortized using straight-line basis over the estimated useful lives of the assets at the following rates per annum:

Banners	3 years
Computer equipment	3 years
Bike Racks	5 years
Street furniture	5 years

Contributed services:

Services provided without charge by the City of Toronto and others are not recorded in their financial statements.

Financial instruments:

Financial instruments are recorded at the approximated fair value.

Use of Estimates:

The preparation of these financial statements in conformity with Canadian accounting standards for local governments requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, at the date of the financial statements, and the reported amounts of revenues and expenses during the reported period. Actual results could differ from management's best estimates, as additional information becomes available in the future.
