DECISION HISTORY
Annually, members of individual BIAs approve their budget at their respective Annual General Meeting and submit it to City Council for approval. For financial reporting purposes, BIAs are classified as Other Government Organizations and these financial statements are included in the City’s consolidated financial statements.
In accordance with Chapter 19 of the City of Toronto Municipal Code, each BIA Board is required to approve and submit its audited financial statements annually to City Council for approval.

**ISSUE BACKGROUND**

The City's 2014 Consolidated Financial Statements have included the financial results of 78 BIAs. The thirty-one (31) 2014 audited financial statements and management letters attached to this report as appendices A to AF have been approved by the respective Board of Management of the BIA.

The 2014 audited financial statements and a management letter for forty-two (42) other BIAs were presented to the Audit Committee at its June 26th, 2015 meeting and contained in AU3.4 adopted by Council at its meeting of July 7, 8 and 9, 2015.

The 2014 audited financial statements and management letters for three (3) other BIAs are in the process of being prepared, audited or awaiting approval of the respective Board and are expected to be presented at the next Audit Committee meeting.

Historic Queen East BIA, failed to timely approve operating budgets for 2009, 2010, 2011, 2012, 2013 and 2014 and accordingly it did not incur any actual revenue or expenditures for presentation. Similarly, Ossington Avenue also failed to timely approve its operating budget for 2014 and accordingly did not incur any actual revenue or expenditures for presentation.
