# Addressing the Youth

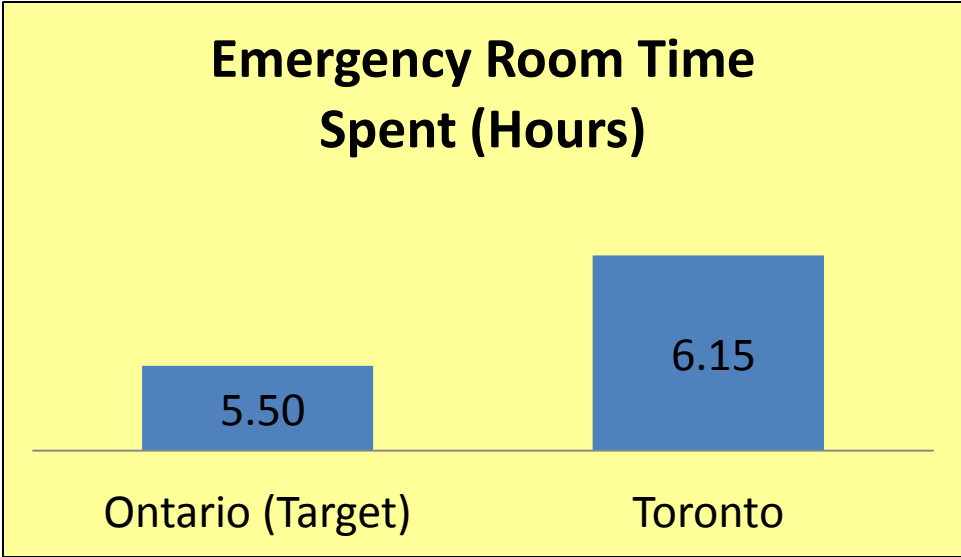

-Consider strategy specifically address to reduce unemployment in youth

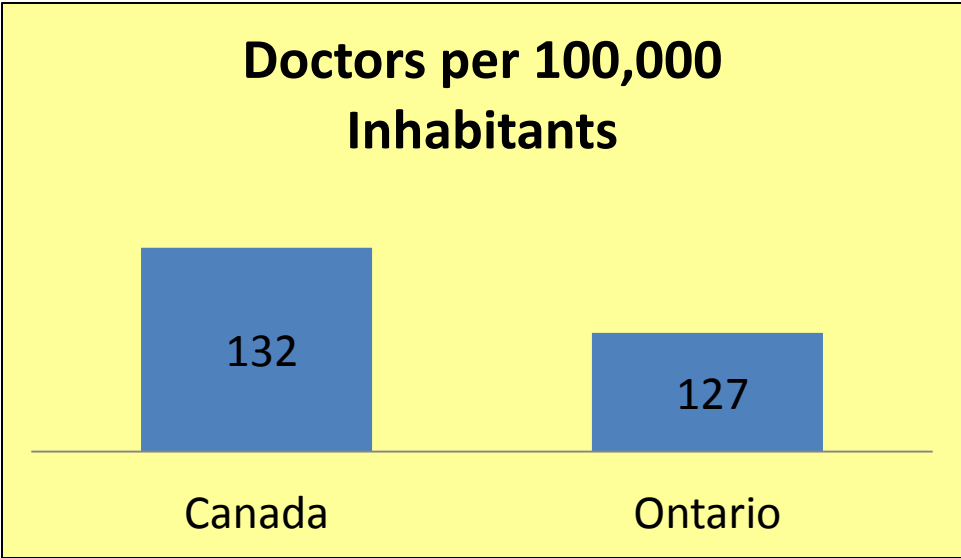

- More aggressive strategy to support youth for self employment

# Health Sector Further Improvement

- Might think for more doctors and need to work together with provincial government

# Library – Need Improvisation

---

**Number of  
Library  
Visit**

**Decreased**  
Compared to Last  
Year

-Need to explore ways to encourage more library visit

- Might think for online library

**THANK YOU**
