---

Good afternoon,

I am the company manager at the Tarragon Theatre and we applying for a temporary extension of our liquor licence. I have sent a letter to your office of notification that we are making this application.

The alcohol and gaming commission has informed me that I need a letter of “non-objection” from your office to proceed with our application.

This extension is for the Fringe Festival.

Please find attached the documentation I have to support this and let me know how to proceed to acquire the letter of non-objection.

Thank you so much for your consideration

Marinda de Beer
