Hi Angela,

Further to our conversation this afternoon, I would like to inquire about the possibility of obtaining a temporary patio extension and temporary liquor licence for both our property located at 983 Dovercourt Road, and our neighbour's yard at 985 Dovercourt to allow for space to host our event.

The event is a community open house involving four neighbourhood businesses, including Liberty Movement yoga and pilates studio, as well as Capsule Music and Century Drums, two vintage instrument stores. Each business will be showcasing the various services available to the community, (i.e.: free yoga classes), and we would like to have a barbecue at the rear of the café, from approximately 11am - 9pm.

Our tentative date for the event would be Sunday, June 28th, 2015.

I realize that this is short notice, and appreciate any assistance you could provide us to move forward.

Many thanks,

Asher Miller
