Dear Sirs/Mesdames:

**111 Bond Street (the "Ryerson Lands")**  
**Ryerson University**  
**City of Toronto File No. 14 157484 STE 27 OZ**

We are the solicitors for the Trustees of St. George's Greek Orthodox Church of Toronto being the owner of the lands municipally known as 115 Bond Street and the Board of Directors of St. George's Greek Orthodox Church of Toronto (collectively the "**Church**"). Ryerson University has engaged in extensive discussions with representatives of the Church in regards to Ryerson's proposed development of the Ryerson Lands and we are pleased to advise that as a result of these discussions, Ryerson and the Church have reached a comprehensive settlement.

The Church has no further concerns with the proposed rezoning of the Lands.

Yours truly,

C. J. Tzekas
