Re: Red light cameras at the intersection of Yonge and Sheppard

Dear Councillor Fillion,

As a longstanding tenant of 25 Sheppard Avenue West, Nestlé Canada firmly supports the installation of red light cameras at the Yonge and Sheppard intersection.

At Nestlé Canada, safety is our number one priority and we are regularly hearing from our employees who share concerns about the unsafe driving practices at this intersection. The corner of Yonge and Sheppard is increasingly congested and difficult to navigate, with drivers blocking the intersection, running red lights and making unsafe turns – compromising the safety of our employees and all other pedestrians in the area.

Please support the installation of red light cameras at Yonge and Sheppard and help address this serious issue in our community.

Thank you,

Catherine O'Brien
