Dear Councillor Fletcher and City Councillors:

We are writing to you on behalf of Riverdale Co-operative Houses in Toronto's east end. We are one of the oldest co-ops in Toronto and currently house 161 members and their children from diverse communities. As we know, our population is aging and the provision of accessible, affordable housing in the east end is important to us.

We understand that decisions are currently being made regarding Streetcar Developments' proposal to the City to develop the corner of Queen Street East at Broadview. Riverdale Co-op owns one of the buildings that is adjacent to the site, right next to the Toyota Dealership.

Please accept this letter as our indication to you that Riverdale Co-op would like to be part of any conversation that relates to the use of Section 37 funds for affordable housing going forward.

Thank you so much.
