RE: Revisions to Trees Bylaw: Item PE8.5, December 10 Council Agenda.

Dear Ms Troft,

On behalf of the Don Mills Community I am writing in support of the letter from the Confederation of Resident and Ratepayers Association (CORRA) regarding the request to return the proposed changes to the bylaw back to the Environment Committee for further discussion by City residents and associations. As a community with many trees we are concerned that we understand fully the ramifications of this proposal before they are approved by Council and the additional time will enable us to get direct input from our residents.

Yours Sincerely

T. J. D West

President

Don Mills Residents Inc.

cc.Councillor Denzil Minnan-Wong

Councillor Jaye Robinson

Councillor Jon Burnside
