Attention: Members of City of Toronto Council

Dear Sirs/Mesdames:

Re: Item PG8.5
Official Plan Five Year Review: Final Recommendation Report -
Amendments to the Healthy Neighbourhoods, *Neighbourhoods* and
Apartment Neighbourhoods Policies of the Official Plan

OPA No: Proposed Official Plan Amendment No. 320

Client: 321 Davenport Road Limited Partnership

Property: 321 Davenport Road, City of Toronto

We are the solicitors for 321 Davenport Road Limited Partnership with respect to the property municipally known as 321 Davenport Road, City of Toronto (the "**Property**"). The Property is designated as *Mixed Use Areas* under the City of Toronto Official Plan, which permits a broad range of commercial, residential, and institutional uses.

We have reviewed proposed Official Plan Amendment No. 320, as contained in the Final Recommendation Report, dated October 15, 2015, in the context of the proposed modifications recommended by the Planning and Growth Management Committee at its meeting held on November 16, 2015 ("**OPA 320**"). Our client has concerns with the policy changes proposed in OPA 320. For example, our client is concerned with Policy 2.3.1.3 under OPA 320, which would impose additional criteria on developments in *Mixed Use Areas*, *Regeneration Areas*, and *Apartment Neighbourhoods* that are adjacent or close to *Neighbourhoods*. These additional criteria, which speak to issues of site configuration and screening, are more appropriately addressed through the site plan approval process, and are unduly prescriptive for a broad policy document like the Official Plan.

Please note that we reserve the right to raise further issues with OPA 320 that may affect the Property. Additionally, please provide us with notice of all upcoming
