

December 8, 2015

Dear Mayor Tory and Members of Council:

Subject: December 9, 2015 - City Council Agenda Item: TE 12.108 - Direction of City Planning Staff to Amend Section 37 Provisions for 81-87 Peter Street

The Hyatt Regency Hotel is located at the corner of Peter and King Street and we strive to offer our guests exceptional facilities and customer service on all levels. It is of great concern to the hotel when we have our customers commenting on the deplorable condition of Peter Street.

We strongly believe that Section 37 agreements for streetscape improvements within the Entertainment District BIA need to stay within our boundaries to repair and improve our streets.

We ask you to maintain Council's commitment to using Section 37 funds for their intended purpose – to support much needed improvements to the surrounding areas.

Sincerely,

A handwritten signature in black ink, appearing to read "Ashok Baghel". The signature is fluid and cursive, with a prominent loop at the end.

Ashok Baghel
General Manager
