Re: NXT City Prize Initiative

Attached is a letter from Distl. regarding an initiative called NXT City Prize where young people submit creative ideas for public spaces. While I understand it is not possible to provide funding at this time, there may be other ways to be involved and may be merit in utilizing such groups and initiatives to make improvements to our public spaces.

Recommendations:

That the General Manager, Parks, Forestry and Recreation review the NXT City Prize initiative outlined in the attached letter and report back on whether there are ways for the City to be involved and review the possibility of utilizing such groups to assist in improving public spaces.

Sincerely,

James Pasternak
Councillor, Ward 10
