A large crowd of people is gathered at an outdoor event. In the background, there is a structure made of blue scaffolding and blue tarps. A building with a sign that says "5PTZ.COM" is visible in the distance. The foreground is filled with people, some of whom are looking towards the camera. The text "EXPO FOR DESIGN AVANT GARDON TECHNOLOGY" is overlaid on the image in a bold, sans-serif font. The word "EXPO" is in white circles with black letters, "FOR" is in green circles with white letters, and the rest of the text is in white circles with black letters.

WHAT IS EDIT?

EDIT is a 10-day biennale festival that celebrates the intersection of design, innovation, and technology as a way of addressing today's global issues.

The goals are education, engagement, and growth; while also developing professional opportunities.

TECHNOLOGY FAIR

**PRODUCT &
INNOVATION
SHOWCASE**

A large-scale architectural installation made of white metal frames, resembling a complex maze or a series of interconnected rectangular structures, is set up on a paved plaza. In the background, a building with a prominent dome and a steeple is visible under a cloudy sky. In the foreground, two people are standing on the plaza, looking towards the installation. The overall scene is captured during the "blue hour" of twilight.

THEME

Held every two years, each edition will be curated to reflect one of the UN Global Goals for Sustainable Development. For the inaugural edition in 2017, the theme will centre around the definition of **Prosperity for All**; and how to achieve it for all people. Several aspects will be presented, examined, and explored.
