2015 Recommended Operating Budget
Rate Supported Programs and Agencies
Summary of Budget Review Process
(\$000s)

Budget Committee – January 26-29, 2015

PART II : MOTIONS AND REQUESTED REPORTS

Agenda Item / Report Name	Requested Actions	Status / Response	Action Taken
BU3.1			
Toronto Water Motion – Amend Budget	That City Council direct that, effective April 1, 2015, City Council approve that the industrial waste surcharge program formula for the calculation of surcharge fees be applied to all treatable parameters that exceed the sewers by-law limits, instead of only the one parameter that exceeds the sewer by-law limits by the greatest amount, allowing full cost recovery for the wastewater services provided by the City, such surcharge to be phased in over a six year period to mitigate impacts to existing companies.		Deferred to the February 4, 2015 Budget Committee Meeting
Toronto Water Motion – Briefing Note	That the General Manager, Economic Development and Culture and the General Manager, Toronto Water, provide a briefing note highlighting the impacts of a water rate increase to major, large industrial employers and the economic competitiveness and economic development rationale to lowering the water rate.		Adopted
