Dear Mayor,

I am writing to you on behalf of the Toronto Women's City Alliance (TWCA). The TWCA are a group of diverse women that have been organizing since 2004 to help end the growing silence of girls and women's voices in the City of Toronto.

TWCA supports motion EX2.11 to change the lyrics of O Canada to be gender inclusive. In a multicultural city such as ours with a majority of women, it is imperative that City Council works to reverse both obvious and hidden forms of discrimination.

We look forward to your continued leadership in this regard.

Sincerely,

Kara Santokie, Director
