Re: Item 8.20 – Alexandra Park

I support the proposal that has been brought forward for securing more affordable homes in Alexandra Park.

Mixed neighbourhoods with a range of home ownership and rental arrangements contribute to the vitality of communities.

I appreciate Councillor Bailao's commitment and leadership role on housing. I also wish to recognise the role which former Councillor Vaughan played in making the revitalization of Alexandra Park one of his top priorities when he was first elected in 2006. It is reassuring to see this work being continued by Councillor Cressy.

Finally, it is heart warming to see that the funds which were negotiated for this purpose are being put to use in this community.

Congratulations to all who have been involved to bring this to fruition.

Yours truly,
