

Date: February 3, 2015  
To: Members of the Etobicoke York Community Council  
From: Councillor Mark Grimes  
Subject: Reduce speeding on all residential streets in ward 6

---

**SUMMARY:**

The incidence of speeding on residential streets in ward 6 has reached a dangerous level. Increased traffic on arterial roads has resulted in more vehicles travelling on residential streets as means to bypass congested routes. The increased number of vehicles, combined with speed they are travelling, makes safety on these routes a serious concern.

**RECOMMENDATION:**

That Etobicoke York Community Council request Transportation Services to report on measures to reduce traffic speeds on residential streets in Ward 6, including a reduction in speed limits, to 40 km/h and 30 km/h specifically in school zones, parks and near day cares.

Thank you, in advance, for your consideration of this request.

Sincerely,

Mark Grimes  
Councillor Ward 6, Etobicoke Lakeshore
