April 29, 2015

Dear Councillor Giorgio Mammoliti,

The Emery Village BIA is proud to announce its recent partnership with the Elspeth Heyworth Centre for Women. As we in partnership begin working together with the local community, we will require the use of the City parkland adjacent to 2372 Finch Avenue West. As such, we are requesting the immediate ability to move or realign a portion of the fence that is currently obstructing access to that parkland, at our own cost, which has been discussed by the Board and is subject to approval at our next Board meeting.

If you have any questions, please do not hesitate to contact our office at 416.737.0690.

Sincerely,

The Emery Village BIA Board of Management
