## MEMO

**TO:** Dr. David McKeown  
Medical Officer of Health

**FROM:** Councillor Joe Mihevc, Ward 21, St. Paul's West

**RE:** Health Impact Assessment for Various Options Related to the  
Gardiner Expressway

**DATE:** May 6, 2015

---

Given the quick decision-making process related to the Gardiner Expressway, my request is that the Health Unit undertake a Health Impact Assessment for the various options being proposed.

Normally I would take this to the Board of Health but the tight deadline limits this possibility.

Sincerely,

Councillor Joe Mihevc
