Recommendations

Councillor Kristyn Wong-Tam, seconded by Councillor Mike Layton, recommends that:

1. City Council direct the City Clerk to advise the Alcohol and Gaming Commission of Ontario (AGCO) that should the liquor license application for Peridot Resto-Bar-Lounge at 81 Bloor Street East be approved, conditions be attached prohibiting the licensee from providing or permitting amplified music or entertainment in outdoors areas, or directed towards outdoor areas, and requiring all doors and windows of the interior to be kept closed during hours of operation to ensure noise bylaw compliance.

Summary

An application has been submitted to the AGCO for a new Liquor Licence at 81 Bloor Street East.

Bloor Street East is a dynamic mixed-use neighbourhood that is home many businesses, tens of thousands of residents, and over a million square feet of office space. With such a diverse range of uses, it is incumbent upon all stakeholders in the area to conduct themselves in a manner that is respectful of all. Previous operators at this location have not always done so, creating noise and disturbances for nearby residents. Under no circumstance should the application be approved without additional noise mitigation conditions being attached to the licence.
