

## City Council

### Notice of Motion

MM3.25	ACTION			Ward:All
--------	--------	--	--	----------

#### **Report on Causes of Road Breakdown - by Councillor Anthony Perruzza, seconded by Councillor Mary Fragedakis**

*\* Notice of this Motion has been given.*

*\* This Motion is subject to referral to the Public Works and Infrastructure Committee. A two-thirds vote is required to waive referral.*

#### **Recommendations**

Councillor Anthony Perruzza, seconded by Councillor Mary Fragedakis, recommends that:

1. City Council request the General Manager, Transportation Services, to report to the Public Works and Infrastructure Committee detailing the causes of road breakdown.

#### **Summary**

Road longevity following resurfacing and reconstruction work appears to vary across the City. Steeles Avenue West, although recently resurfaced, has been experiencing a large degree of breakdown in the form of cracking, potholes and buckling.

Winter 2014 saw a tripling of pot hole repair service requests, double the number of repaired potholes and a 50 percent increase in repair expenditures as compared to the previous year. Pothole repairs from January 1 to April 23, 2014 cost the City of Toronto \$2.7 million.
