Staff Representation at an Ontario Municipal Board Hearing for 32 Millgate Crescent - by Councillor David Shiner, seconded by Councillor James Pasternak

** This Motion has been deemed urgent by the Chair.*

** This Motion is not subject to a vote to waive referral. This Motion has been added to the agenda and is before Council for debate.*

Recommendations

Councillor David Shiner, seconded by Councillor James Pasternak, recommends that:

1. Council authorize the City Solicitor to appeal decision A0226/15NY of the Committee of Adjustment regarding 32 Millgate Crescent and authorize the City Solicitor to retain an outside planning witness, if necessary, to provide expert evidence before the Ontario Municipal Board.
2. Council authorize the City Solicitor to continue discussions with the applicant, in consultation with the local Councillor, to attempt to resolve the appeal.

Summary

An application was made to the Committee of Adjustment for a minor variance including but not limited to increased lot coverage and west side yard setbacks in order to permit the construction of a second floor addition above the existing dwelling and a new two-storey front addition at 32 Millgate Crescent.

On Thursday April 23, 2015, the Committee of Adjustment, North York Panel approved the minor variance subject to the standard conditions of the City's Urban Forestry Division.

The variance granted is not consistent with what has been previously approved by the Committee of Adjustment in this area. The proposed lot coverage and side yard setbacks would result in a dwelling that would be out of keeping with the existing physical character of the area.
