Request for a detailed report with respect to the proposed Toronto Transit Commission (TTC) McNicoll Bus Garage - by Councillor Jim Karygiannis, seconded by Councillor Josh Colle

** Notice of this Motion has been given.*

** This Motion is subject to referral to the Executive Committee. A two-thirds vote is required to waive referral.*

Recommendations

Councillor Jim Karygiannis, seconded by Councillor Josh Colle, recommends that:

1. City Council request the City Manager, in consultation with the Chief Executive Officer of the Toronto Transit Commission, to report to the September 30 and October 1, 2015 City Council meeting on a complete financial analysis and cost breakdown of the expenditures for the proposed \$181 million Toronto Transit Commission McNicoll Bus Garage approved by City Council.

Summary

The Toronto Transit Commission (TTC) is proposing to build a transit garage to maintain 250 buses, at the northeast corner of Kennedy Road and McNicoll Avenue, in Scarborough. The cost for the proposed transit garage is \$181 million.

In 2011, a transit garage, housing 175 buses, opened in the Town of Oakville. The project cost was \$45 million.

Area residents have expressed their concerns about the proposed McNicoll TTC Bus Garage and are seeking additional information regarding the project and want a full accounting of the issue.

This Motion requests the City Manager to report to City Council in September 2015 on these issues.
