#### **Corporate Facilities Display Policy - by Councillor Josh Matlow, seconded by Councillor Chin Lee**

*\* This Motion has been deemed urgent by the Chair.*

*\* This Motion is not subject to a vote to waive referral. This Motion has been added to the agenda and is before Council for debate.*

#### **Recommendations**

Councillor Josh Matlow, seconded by Councillor Chin Lee, recommends that:

1. City Council authorize the Chief Corporate Officer to remove all signs in City Hall exterior windows immediately.
2. City Council request the Chief Corporate Officer to report to the Government Management Committee in January 2016, on a Corporate-wide Facilities Display Policy.

#### **Summary**

Toronto City Hall is our City's seat of government and is visited every day by Toronto residents and tourists alike.

Our City Hall is also an official symbol of the City of Toronto and represents all Torontonians.

City staff are currently developing a corporate facilities display policy which will ensure all displays within the interior spaces and interior/exterior windows of corporate and public spaces of City Hall, Metro Hall, and the Civic Centres, meet a level of professional standards and are appropriate for the public face of municipal government.

This Motion is urgent as, since the Pan Am Parapan Am Games, the City has received many concerns regarding the aesthetic appearance of the City's facilities.
