To: **North York Community Council**

Subject: **Speed Limit Reduction on Buxton Road**

SUMMARY:

My office has received complaints from constituents who are concerned with vehicles speeding along Buxton Road, a 50km/h zone.

There have been several incidents on this road which could have resulted in serious injuries. A recent incident involved a youth driving 100km/h without a license and hitting a hydro pole. It was fortunate that no one inside the vehicle or on the street was hurt, however, it is important that measures be taken to ensure this activity does not continue.

Residents of Buxton Road have asked for a speed limit reduction from 50km/h to 30km/h.

RECOMMENDATIONS:

That North York Community Council:

1. Approve a speed limit reduction on Buxton Road from 50km/h to 30km/h.

Thank you for your consideration of this matter.

Sincerely,

Councillor Maria Augimeri
Ward 9 – York Centre
