Hi Stev,

I just spoke to the Clerk for North York Community Council, Francine Adamo. She said you have to send a letter of request to [nycc@toronto.ca](mailto:nycc@toronto.ca) and copy our office.

On the letter please indicate the date and time of the event, and what the event is about. The next North York Community Council is September 1 so this letter should be sent to Ms. Adamo as soon as possible.

Thank you,

Alida

Stev I am currently getting information from our City Clerk as well on how to go about this.

Councillor puts forward a motion to council to endorse the event as an "event of municipal significance", and a resolution is passed.

Can you setup a call with Councilor for me to discuss further?

Thanks.

Stev

Hi Stev,

I just spoke to Rob who asked if you would be able to send us any information on this event. As we are not familiar with the endorsement process with Council, is there any way you can send us any documentation (the endorsement) you have from last year's event at Ontario Place? That way we can get more information from our Clerks Department as to how this works.

Thank you, and sorry for the delay,

Alida

Following up on my below email from last Tuesday. I also left a voice message on your office voicemail.

Thanks.

Hi Robert,

I'm producing "Food Truck Festival Ontario" at Downsview Park Sunday September 27, 2015.

It was held at Ontario Place last year, and was endorsed by council as an event of significance. I would like to request endorsement once again.

Are you the correct person to coordinate this for us?

Thank you.

Stev
