**Re: *Proceeding to Plan Phase of the Proposed Historic Yonge Street Heritage Conservation District***

Dear Members of the Toronto Preservation Board:

On behalf of the Bay Cloverhill Community Association (BCCA), we would like to convey our strong support for the City Planning's decision to proceed to the Plan Phase of the Historic Yonge Street Heritage Conservation District (HCD) Study of the proposed Historic Yonge Street HCD,

Members of the BCCA have worked tirelessly, in collaboration with the community and the City's consultant team to study the area. Endorsing this HCD plan reaffirms our collective dedication to ensure the integrity of protecting and preserving buildings with heritage value within the designated Historic Yonge Street Heritage Conservation District.

We have reviewed the plan and agree with the boundaries. Likewise we remain committed to advocating that this plan move forward expeditiously, especially due to the stringent timelines, in view of the aggressive development applications that have been filed.

The leadership and support of the Toronto Preservation Board, is now required to accomplish this Historic Yonge Street HCD.

Respectfully,

Cathy Carnevali – Secretary  
for Rick Whitten-Stovall - President  
Bay Cloverhill Community Association (BCCA)
