Dear Chair and Members of Planning and Growth Management Committee:

**PG1.8:** Five Year Official Plan and Municipal Comprehensive Reviews – Status Update  
PGMC Meeting 1 – January 8, 2015

CORRA is an independent incorporated confederation of resident and ratepayer groups in Toronto and we have been involved with the 5-year Official Plan (OP) review from the start and participated in initial consultations in the Fall of 2011. CORRA was also involved during the time Council adopted the 3-phase rollout of the OP review in February 2012.

The items mentioned in the status report are at various stages of consideration. In writing, CORRA is requesting that the City Clerk provide CORRA with notification of any Planning and Growth Management Committee (PGMC) decisions concerning all issues related to the Five Year Official Plan and Municipal Comprehensive Reviews (including for example, reports to be received and special meetings) and notice of any subsequent considerations by PGMC or any other Committee and Council that may also consider such policies under the 5-year review.

The PGMC Clerk and the City Clerk have CORRA's contact information to implement our request for notice.

In addition, CORRA ask that OP Policy planning staff maintain the electronic OP Review releases (email updates) for all that have registered to be kept informed of the review process.

Thank you,

Eileen Denny, Vice Chair  
Confederation of Resident and Ratepayer Associations in Toronto
