***Re: PG5.5 – Improving Response to Infill Construction Sites***

Dear Chair & Colleagues,

I'm writing in support of the work plan set out in PG5.5: Improving Response to Infill Construction Projects.

This is a complicated, interdivisional issue and the consultation with external stakeholders and key city divisions set out in the work plan is a great step forward.

I look forward to debating and discussing our new and improved strategy for tackling problem residential construction sites in the fourth quarter.

Warm regards,

Jaye Robinson  
City Councillor
