**Re: 2015.PG8.8 Chapter 694 - Area-Specific Amendment Application
Concerning Electronic Signs - 33 Wickman Road**

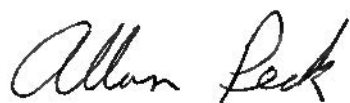

Dear Members of the Planning and Growth Management Committee,

Please be advised that Metrolinx is purchasing 33 Wickman Road from Canadian Pacific Railway effective November 27, 2015. Metrolinx wishes to pursue the modernization of the existing signboard at 33 Wickman Road and, therefore, will assume the application on closing of the real estate transaction. I will speak to this in my November 16, 2015 deputation.

I also want to ensure a few items in the 33 Wickman Road application are corrected prior to the November 15 Planning & Growth Management Committee Meeting. We are asking to operate the modernized 33 Wickman Road sign twenty-four hours per day, the same as other digital signs in the vicinity. In addition, we now wish to comply with 694-10 with respect to a 5-year permit renewal.

Please contact me with any questions.

Yours truly,

Allan Peck
